

Teardrop Banner

Teardrop Banner

Teardrop Banners are the perfect tool for outdoor branding opportunities at sporting events, charity events, showroom display, or to grab the attention of passers-by. The innovative design of the Teardrop Banner ensures they cut through wind and rain and remain standing. Unlike cheaper outdoor banners, Teardrop Banners stay taut in the wind ensuring your branding message stays strong whatever the weather. Available in a range of sizes and single or double sided. Teardrop Banners are available with a range of bases and fittings including ground spikes and cross bases. This product comes with a carry bag.
